

Audit Committee (AC)

The bank's audit committee plays a crucial oversight role by ensuring the integrity of financial reporting, reviewing internal controls, and assessing the effectiveness of risk management practices. This committee enhances transparency and accountability within the bank, helping to maintain the trust of shareholders and stakeholders. With a focus on regulatory compliance and sound governance, the audit committee ensures the bank's operations adhere to the highest standards of financial stewardship.

Committee Members

- Independent Non-Executive Director (Chairperson)
- Deputy Executive Director (Co-Chair)
- External Audit
- External Audit
- Audit Committee's Secretary
